## A Shropshire Lad and Other Poems

2010-07-29

a e housman was one of the best loved poets of his day whose poems conjure up a potent and idyllic rural world imbued with a poignant sense of loss they are expressed in simple rhythms yet show a fine ear for the subtleties of metre and alliteration his scope is wide ranging from religious doubt to intense nostalgia for the countryside this volume brings together a shropshire lad 1896 and last poems 1922 along with the posthumous selections more poems and additional poems and three translations of extracts from aeschylus sophocles and euripides that display his mastery of classical literature

in 1896 the high point of what has been variously called the yellow nineties and the beardsley period victorian poetry was at a low ebb alfred lord tennyson and robert browning were both dead algernon charles swinburne had long since retired to putney the pre raphaelite movement had subsided thomas hardy was still known only as a novelist the minor poets seemed stereotyped into two groups those who like oscar wilde produced swinburne and water and those who wrote frail imitations of the french of paul verlaine the only new and original talent was that of rudyard kipling who had already published his two most famous volumes yet despite kipling s vigor the spirit of the age was best represented by the yellow book and aubrey beardsley s illustrations for alexander pope s the rape of the lock 1712 it was in this atmosphere of purple patches and fine phrases that

there appeared a shropshire lad a slender volume containing sixty three short poems some only eight lines long written by the professor of latin at university college london

alfred edward housman 1859 1936 was an english poet and classical scholar whose work became a major force in turn of the century english poetry unlike his contemporaries houseman s poetry does not qualify as romantic victorian or modernist and is not overly sentimental or optimistic instead his deeply pessimistic and ironic poetry written clearly and succinctly earned housman notoriety as one of the foremost classicists of his time his best known work a shropshire lad is a cycle of 63 poems set in a half imaginative shropshire and explores themes of death the fleetingness of love and the passing of youth the poems became increasingly popular at the time of world war i because of their depiction of brave english soldiers in the early 1920s houseman s closest friend and old oxford roommate moose jackson was dying prompting housman to compile his last poems for jackson to read the forty one previously unpublished poems were so titled because housman felt his inspiration had been

exhausted indeed these proved to be his last published works

first published in 1896 a shropshire lad contains sixty three poems which quickly became popular particularly among young readers when first published alfred edward housman 1859 1936 also known as a e housman was an english poet and classical scholar considered to be one of the greatest scholars to have ever lived he is most famous for this collection of lyrical poems which evoke the travails and disappointments of english youth in the countryside a fantastic collection of classic countryside poetry that will appeal to fans and collectors of housman s wonderful work contents include from cleve to heaven the beacon burns loveliest of trees the cherry now leave your home behind lad wake the silver dusk returning oh see how thick the goldcup flowers when the lad for longing sighs when smoke stood up from ludlow etc this classic work is being republished

now in a new edition with specially curated introductory material

## **CENTENARY OF "A SHROPSHIRE LAD" THE LIFE AND WRITINGS OF A. E. HOUSMAN.**

2018

housman's melodic and memorable poems have been popular for over a century he writes typically of lost love of the brevity of happiness of young soldiers doomed to die housman speaks with two voices the smooth texts conceal a dark sub text this tormented and secretive man wrote poems alive with indirect self disclosure

### **A Shropshire Lad and Last Poems**

2010

this collection of essays was conceived as part of the centenary celebrations of the first publication in 1896 of one of the most popular collections of poetry ever written a shropshire lad a collection never out of print in a hundred years yet housman was a recluse an austere classicist of great renown who devoted his academic life to the correction of ancient texts he filled his poems with the lives loves and deaths of simple country people whose emotions are intense and often violent but lived his own life in stoic acceptance of his loveless arid existence why his life should have been so intentionally empty of emotion raises questions about housman's own sexuality and the relationship he had with his friend moses jackson and jackson's brother afalbert housman's poetry like his life is deceptively simple this volume shows some of the complex currents below the surface

### **A Shropshire Lad and Last Poems**

2013-06-29

the method of the poems in a shropshire lad illustrates better than any theory how poetry may assume the attire of reality and yet in speech of the simplest become in spirit the sheer quality of loveliness for in these unobtrusive pages there is nothing shunned which makes the spectacle of life parade its dark and painful its ironic and cynical burdens as well as those images with happy and exquisite aspects with a broader and deeper background of experience and environment which by some divine special privilege belongs to the poetic imagination it is easier to set apart and contrast these opposing words and sympathies in a poet but here we find them evoked in a restricted locale an english county where the rich cool tranquil landscape gives a solid texture to the human show

2013

a e housman being one of the most famous and widely read poets of the early twentieth century is certainly worthy of praise his collected poems are therefore a valuable read because they allow readers to gain an impression of the author s mind opinions and lifestyle furthermore they simultaneously depict a man who was deeply pessimistic and obsessed with death and on the other hand illustrate a man who was also very much concerned with love youth life and the fleetingness of the these concepts it is easy to understand why housman s sensitive and sympathetic depictions of heroic english soldiers influenced and affected his readers as his poetry is often written in an uncomplicated yet sensitive style which allows readers to feel as if they are witnessing events almost as the poet writes them down these poems are also intriguing to read if you are a shakespeare fan as it is possible to spot many shakespeare references in housman s writing a glossary or footnotes at the back of this book would be appreciated in any further editions in order to allow readers to gain more understanding of the other poets and authors that housman was influenced by in brief this collection presents the literary highlights of housman s career and this will be most appreciated by readers new to housman s poetry

## The Works of A. E. Housman

1994

a e housman 1859 1936 was a poet of enormous popularity and widespread influence a latin scholar of the front rank a superb prose stylist a notable writer of comic verse and thanks to the enormous success of a shropshire lad one of the greatest and best known poems in the english language he became a legend in his own lifetime reissued to mark the centenary of the publication of a shropshire lad norman page s highly acclaimed biography is regarded as the most complete account of housman s life and career available drawing on a wide range of sources including much unpublished material norman page provides us with a fascinating insight into housman the poet the scholar and the man by far the best biography of housman we have andrew motion times literary supplement

### A. E. Housman

2016-04-30

the letters of a e housman is a scholarly edition of over 2200 letters the previous edition edited by henry maas contained just over 880 the letters cover the whole range of housman s daily activities whether he writes as poet professor of latin son brother uncle friend or citizen thus they allow the fullest possible revelation of a man whose reserve was legendary he emerges as a more amiable more sociable more generous more painstaking and more complex person than has previously been realized in most cases the source of the text is a manuscript and this has resulted in a text that is more accurate and more complete than any previously available accompanying the text are notes covering persons and places poetry classical scholarship publishing history and literary allusion and echo

### A Shropshire Lad

2014

a e housman s poetry especially a shropshire lad remains well known widely read and often quoted however housman did not view himself as a professional poet always making quite clear that his proper job was as a professor of latin housman s fame as a poet has often obscured the fact that he was the leading british classical scholar of his generation and a cambridge professor it has also sometimes been suggested that housman s two areas of activity are the sign of a flawed or divided personality a e housman a single life argues that there is no fundamental tension between housman the poet and housman the scholar and his career is presented very much as that of a working academic who also wrote poetry the book gives a full account of what housman described as the great and real troubles of my early manhood and in particular his unrequited and life long love for his undergraduate friend moses jackson it resists the temptation to classify housman too exclusively as a melancholic and is sceptical about housman s reputed rudeness and misanthropy pointing out that though housman was famously aloof in manner he was notably loyal and generous courteous in his daily dealings and generally liked by those who knew him he also possessed a highly developed sense of the absurd and a ready and often disconcerting wit features which characterised not only his letters and miscellaneous writings but also famously much of his scholarly work
