**Guide to British Prose Fiction Explication** 1997 this book examines the various ways in which british fiction since the late 1960s has addressed the marginalization of anomalous identities in an era of increasing social inclusivity and the ways in which the category of the monstrous has been applied to various figures in society drawing on a diverse range of theoretical positions from body politics to theories of domestic space the book highlights parallels between the management of medical conditions including locked in syndrome terminal illness and down syndrome and psychological anomalies including tendencies toward paedophilia incest and violence toward minors by addressing such a range of disparate identities under the banner of monstrosity the book seeks to identify a degree of continuity between the treatment of the vilified predator and the vulnerable individual in contemporary britain the fictional works discussed include a number of novels that have made little impact in commercial and critical terms yet which function as penetrating and insightful accounts of life in the margins these works offer valuable and unique perspectives on figures in society whose stories often go unheard and serve to outline the logic behind seemingly illogical gestures and acts

*A Concise Companion to Contemporary British Fiction* 2008-04-15 new york times best seller a new yorker essential read from the best selling author of atonement and saturday comes the epic and intimate story of one man's life across generations and historical upheavals from the suez crisis to the cuban missile crisis the fall of the berlin wall to the current pandemic roland baines sometimes rides with the tide of history but more often struggles against it a best book of the year vogue the new yorker masterful mcewan is a storyteller at the peak of his powers one of the joys of the novel is the way it weaves history into roland's biography the pleasure in reading this novel is letting it wash over you associated press when the world is still counting the cost of the second world war and the iron curtain has closed eleven year old roland baines's life is turned upside down two thousand miles from his mother's protective love stranded at an unusual boarding school his vulnerability attracts piano teacher miss miriam cornell leaving scars as well as a memory of love that will never fade now when his wife vanishes leaving him alone with his tiny son roland is forced to confront the reality of his restless existence as the radiation from chernobyl spreads across europe he begins a search for answers that looks deep into his family history and will last for the rest of his life haunted by lost opportunities roland seeks solace through every possible means music literature friends sex politics and finally love cut tragically short then love ultimately redeemed his journey raises important questions for us all can we take full charge of the course of our lives without causing damage to others how do global events beyond our control shape our lives and our memories and what can we really learn from the traumas of the past epic mesmerizing and deeply humane lessons is a chronicle for our times a powerful meditation on history and humanity through the prism of one man's lifetime

The Writing Cure 2013 how many times have you heard that creative writing programmes are factories that produce the same kind of writers isolated from real life only by escaping academia can writers be completely free universities are profoundly conservative places designed to favour a certain way of writing preferably informed by literary theory those who reject the creative critical discourse of academia are the true rebels condemned to live or survive in a tough literary marketplace conformity is on the side of academia the story goes and rebellion is on the other side this book argues against the notion that creative writing programmes are driven by conformity instead it shows that these programmes in the united states and britain were founded and developed by literary outsiders who left an enduring mark on their discipline to this day

experience or rather an in another body experience for we perceive the portrayed world not only through the protagonist s eyes but also through his ears nose tongue and skin in other words we move through the literary text as if through a virtual reality how does literature achieve this trick how does it turn mere letters into vividly experienced worlds this study argues that techniques of sensuous writing contribute decisively to bringing the text to life in the reader s imagination in detailed interpretations of british novels of the 1980s and 1990s by writers such as john berger john banville salman rushdie jeanette winterson or j m coetzee it uncovers literary strategies for turning the sensuous experience into words and for conveying it to the reader demonstrating how we make sense in and of literature both readers interested in the contemporary novel and in the sensuousness of the reading experience will profit from this innovative study that not only analyses the interest of contemporary authors in the senses but also pin points literary entry points for the sensuous force of reading
