The Bookseller

1882

a comprehensive overview of new york state s politics political institutions and major public policies new york contains greater diversity than almost any other state this diversity creates extensive social and political conflict within the state governing new york state sixth edition provides expert assessment of how these conflicts are organized and represented and how the political process and political institutions work in an effort to resolve them contributors explore the role of political parties and interest groups in representing these concerns they also review the nature of the legislature the governor the courts and public authorities as well as how these institutions play a role in making decisions finally the impact of politics is analyzed for the policy areas of intergovernmental fiscal relations welfare health and local education the sixth edition of governing new york state provides an excellent summary of the political process and most of the major policy controversies in the state

Bookseller

1882

published both by major u s houses as well as independently by the author this book has been reissued at least every ten years since its initial appearance in 1976 by jonathan david publishers middle village ny its success has been remarkable so much so in fact that schools and libraries have repeatedly had to reorder after their copies were stolen by patrons students and teachers it continues to seem relevant to readers during all those years because society and government are always saddled with the same types depicted in this book teachers have frequently used this book as a supplementary text in history courses the text is fast moving at times conversational and never packed with dry dates and treaties and other aspects of history books that often turn off young readers this is the first appearance of madmen of history as an ebook and the second ebook by the author read it chapter by chapter there is no absolute order required but avoid reading it at bedtime because you may not sleep well

Bookseller and the Stationery Trades' Journal

THE EDUCATIONAL TIMES, AND JOURNAL OF THE COLLEGE PRECEPTORS.

1880

in this book the author explores the various meanings assigned to goods sold retail from 1550 to 1820 and how their labels were understood the first half of the book focuses on these labels and on mercantile language more broadly how it was used in trade and how lexicographers and others approached what for them were new vocabularies in the second half the author turns to the goods themselves and their relationships with terms such as luxury choice and love terms that were used as descriptors in marketing goods the language of objects is a subject of ongoing interest and the study of consumables opens up new ways of looking at the everyday language of the early modern period as well as the experiences of trade and consumption for both merchant and consumer
