yo creo en la justicia americana tengo conciencia plena del valor que representa su independendencia de los demás poderes y este libro no es un reto a su sistema judicial sino a la condición humana el hombre continúa siendo el mismo ser egoísta desde sus inicios el cual gusta atropellar al más débil e inclinarse al fuerte se equivocan quienes piensan que las leyes pueden cambiar la naturaleza humana de nada vale la manera de estructurarse un juicio y sus componentes cuando el corazón de sus ejecutantes es perverso esta y no otra es la razón por la cual se da a luz este testimonio una vivencia real de un jurado falto de ética una jueza un fiscal y un defensor público obsesionados en sancionar a un pobre hombre para complacer los desmanes de un inspector de la policía que miente y ellos bien lo saben pero temen ir en su contra en los primeros meses del año 2007 parto de la ciudad de miami hacia el estado de georgia en busca de unos documentos los cuales me tomaban tiempo conseguir un señor para el cual había trabajado con anterioridad me invita a participar en la temporada de cebollas lo cual

acepto sin conjeturas un viernes alrededor de las once de la mañana después de haber concluido la labor y recibido la paga me llevo hasta la tienda cercana a comprar un paquete de cervezas al venir de regreso observo por el espejo retrovisor que soy perseguido por el carro patrullero guiado por el oficial de la policía local mario moser después de detenerme y revisar mi boca y mi ropa me espolvan mis manos y golpea por mi espalda aun cuando lo estoy tratando respetuosamente sin ofrecerle resistencia alguna este hecho fue presenciado por decenas de personas en público yo no hubiera podido decir mentiras ni inventar un cuento desasociado de la realidad hubiera sido de un modo sencillo desmentido y ridiculizado en el instante que este oficial de la policía me registraba aparece en dirección opuesta un carro blanco civil con dos tripulantes sin uniformes oficiales los mismos registran mi carro en tres ocasiones por espacio cercano a la hora curiosamente el tercer registro el cual no me permiten observar afirman haber encontrado una dosis de crack cocaína en una de las gavetas del carro este hecho sirve de base a todo un largo proceso de irregularidades y corrupción como nunca imaginé que pudiera suceder en américa si alguna persona me hubiera contado este relato antes de vivirlo lo hubiera juzgado de mentiroso así de sencillo a la distancia de diez años miro este acontecimiento con espanto hasta donde puede degradarse el hombre cuando en su corazón anida el perverso sentimiento del racismo la intolerancia al extranjero y el más perverso de todos los sentimientos humanos pisotear al de abajo a los tres días de convivir con un joven en la misma celda me entero que era mi compañero de causa al ser conducidos los dos ante un investigador y preguntarme si era quién me había vendido la cocaína pareciera una novela pero no lo es se trata de un hecho real en toda su dimensión y para acabar de completar el cuadro de miseria este joven no asiste al juicio o sea soy juzgado por comprar cocaína y no asiste el vendedor pero aquí no acaba el caso el policía que me arresta tampoco asiste al juicio mi acusador resulta ser un famoso inspector que no recuerdo haber visto con anterioridad y fabrica una historia risible por su grado de irracionalidad y contradicciones su testimonio no hubiera resistido una leve investigación la fiscalía en complicidad con la jueza y mi defensor público se dedicaron a esconder las evidencias requeridas para el caso ojalá que este caso conlleve a la reflexión sincera de quienes teniendo la oportunidad de hacer un juicio justo prefirieron manchar con su conducta la justicia de esta gran nación

ever since thoreau s walden the image of the american homesteader has been of someone getting away from civilization of forging an independent life in the country yet if this were ever true what is the nature and reality of homesteading in the media saturated hyper connected 21st century for seven years philip ackerman leist and his wife erin lived without electricity or running water in an old cabin in the beautiful but remote hills of western new england slowly forging their own farm and homestead they took inspiration from their experiences among the mountain farmers of the tirolean alps and were guided by their vermont neighbors who taught them about what it truly means to live sustainably in the postmodern homestead not only to survive but to thrive in a fragmented landscape and a fractured economy up tunket road is the inspiring true story of a young couple who embraced the joys of simple living while also acknowledging its frustrations and complexities ackerman leist writes with humor about the inevitable foibles of setting up life off the grid from hauling frozen laundry uphill to getting locked in the henhouse by their ox but he also weaves an instructive narrative that contemplates the future of simple living his is not a how to guide but something much richer and more important a tale of discovery that will resonate with readers who yearn for a better more meaningful life whether they live in the city country or somewhere in between

god accused or defended tackles a prickly subject about whether or not god is responsible for allowing both natural evils and moral evils to exist in his creation the book is a theodicy that unravels some of the most tangled and knotted issues involved in this paradox the biggest challenge is how to confront the various concepts held about god and what he is up to with humanity many theologians and philosophers have attempted to solve the apparent paradox by changing who or what god is in that process there have been four basic outcomes 1 god must be redefined 2 god cannot do anything about the situation 3 god will not do anything about it or 4 its useless to think about so it is best to abandon the faith using his many years of experience in biblical studies the author resolves the paradox
