self revelations of tormented great composer musical life in paris wagner and other contemporaries musical opinions much more 11 plates here the author provides us with a biography of hector berlioz a french romantic composer and conductor his output includes orchestral works such as the symphonie fantastique and harold in italy choral pieces including the requiem and l'enfance du christ his three operas benvenuto cellini les troyens and béatrice et bénédicte and works of hybrid genres such as the dramatic symphony roméo et juliette and the dramatic legend la damnation de faust translator and editor david cairns has completely revised the text of this memoir of hector berlioz the extensive notes that accompany the text have been updated to reflect the results of recent research self revelations of tormented great composer musical life in paris wagner and other contemporaries musical opinions much more 11 plates english summary colored by strong emotions deep reflections funny conversations fantastic ecstasies and pathetic disenchantments the memoirs of hector berlioz paint a vivid and striking portrait of this revolutionary composer this extraordinary traveler this born writer although the work has already known several editions this is the very first to offer a complete critical apparatus preceded by an introduction which retraces the history of the manuscript and its publication an identification of all the people and all the works mentioned in the text as well as the elucidation of events which for the reader of today may seem obscure this publication fills the long felt absence of a critical edition of hector berlioz's most important literary work french description colores de fortes emotions de reflexions profondes de conversations drolatiques d'extases fantastiques et de disenchantements pathétiques les memoires d'hector berlioz brossent un portrait des plus vifs et des plus saisissants de ce compositeur revolutionnaire de ce voyageur extraordinaire de cet écrivain ne bien que l'ouvrage ait connu déjà plusieurs éditions celle ci est la toute première à offrir un appareil critique complet précédée d'une introduction qui retrace l'histoire du manuscrit et de sa publication d'une liste explicative des sources et d'une chronologie sommaire elle propose l'identification de toutes les personnes et de toutes les oeuvres mentionnées dans le texte ainsi que l'élucidation d'événements qui pour le lecteur d'aujourd'hui peuvent paraître obscurs les notes fondées sur les travaux de recherche effectués durant ces dernières années entre autres les éditions scientifiques des oeuvres musicales et de la correspondance générale de berlioz contiennent de nombreuses variantes entre le texte principal et ses sources car les memoires aussi bien structures que le fameux clavier est bien tempéré représentent une mosaïque des écrits du musicien qui s'étendent de sa première maturité au seuil de sa vieillesse cette publication comble l'absence depuis longtemps ressentie d'une édition critique de l'oeuvre littéraire la plus importante d'hector berlioz inge van rij's book demonstrates how berlioz used the sights and sounds of the orchestra to explore other worlds berlioz volume i previously published only in britain is now available to american readers in a revised edition together with the eagerly awaited new volume ii these two volumes together comprise a monumental biographical achievement sure to stand as the definitive berlioz biography as a composer hector berlioz embodied his century as the quintessential romantic artist niccolo paganini called him beethoven's only heir and for a young richard wagner he was dazzling as a composer orchestra conductor and critic but berlioz was known as much for his writings as for his music and for decades berlioz scholars have stressed the need for a good english language anthology of his criticism featuring new translations and commentary by katherine kolb and samuel n rosenberg berlioz on music selected criticism 1824 1837 is that volume berlioz's centrality as a critic results from his literary brilliance his location in paris the music capital of the nineteenth century and his 28 year tenure at the powerful journal des debats as one of its founding editors and principal writers berlioz contributed about 250 articles to the publication berlioz on music comprises articles from the first 14 years of berlioz's public writings given in chronological order and with few exceptions in their entirety following chronology affords an overview of berlioz's evolution as critic and of a key phase in the development of modern musical culture the volume also presents explanatory data in engagingly composed introductions and footnotes which elucidate berlioz's references to persons musical and literary works historical events and more the reader is allowed to follow musical events during one of the richest periods in french cultural history including the revolutionary decade surrounding 1830 a year marked by victor hugo's victory for the romantics in the classical bastion of the théâtre français by the premiere of berlioz's fantastic symphony and by the toppling of the restoration monarchy the result is an engaging collection of berlioz's lively prose presented with scholarly rigor and rendered in accessible english music historians both professional and amateur as well 19th century european history enthusiasts will find berlioz on music a compelling introduction to one of the richest periods of french culture this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and
