Hearings 1965 broken heartlands is an essential and compelling political road trip through ten constituencies that tell the story of labour s red wall from sebastian payne an award winning journalist and whitehall editor for the financial times the times political book of the year a daily telegraph guardian daily mail and ft book of the year immensely readable observer historically the red wall formed the backbone of labour s vote in the midlands and the north of england but during the 2019 general election it dramatically turned

conservative for the first time in living memory redrawing the electoral map in the process originally from the north east himself payne sets out to uncover the real story behind the red wall and what turned these seats blue beginning in blyth valley in the north east and ending in burnley with visits to constituencies across the midlands and yorkshire along the way payne gets to the heart of a key political story of our time that will have ramifications for years to come while brexit and the unpopularity of opposition leader jeremy corbyn are factors there is a more nuanced story explored in broken heartlands of how these northern communities have fared through generational shifts struggling public services de industrialization and the changing nature of work featuring interviews with local people plus major political figures from both parties including boris johnson and sir keir starmer payne explores the significant role these social and economic forces decades in the making have played in this fundamental upheaval of the british political landscape impressive and entertaining sunday times a must read for anyone who wants to understand england today robert peston

Hearings 1966 against massacre looks at the rise of humanitarian intervention in the nineteenth century from the fall of napoleon to the first world war examining the concept from a historical perspective davide rodogno explores the understudied cases of european interventions and noninterventions in the ottoman empire and brings a new view to this international practice for the contemporary era while it is commonly believed that humanitarian interventions are a fairly recent development rodogno demonstrates that almost two centuries ago an international community under the aegis of certain european powers claimed a moral and political right to intervene in other states affairs to save

strangers from massacre atrocity or extermination on some occasions these powers acted to protect fellow christians when allegedly uncivilized states like the ottoman empire violated a right to life exploring the political legal and moral status as well as european perceptions of the ottoman empire rodogno investigates the reasons that were put forward to exclude the ottomans from the so called family of nations he considers the claims and mixed motives of intervening states for aiding humanity the relationship between public outcry and state action or inaction and the bias and selectiveness of governments and campaigners an original account of humanitarian interventions some two centuries ago against massacre investigates the varied consequences of european involvement in the ottoman empire and the lessons that can be learned for similar actions today
