the encyclopedia of american journalism explores the distinctions found in print media radio television and the internet this work seeks to document the role of these different forms of journalism in the formation of america's understanding and reaction to political campaigns war peace protest slavery consumer rights civil rights immigration unionism feminism environmentalism globalization and more this work also explores the intersections between journalism and other phenomena in american society such as law crime business and consumption the evolution of journalism's ethical standards is discussed as well as the important libel and defamation trials that have influenced journalistic practice its legal protection and legal responsibilities topics covered include associations and organizations historical overview and practice individuals journalism in american history laws acts and legislation print broadcast newsgroups and corporations technologies

Music Curriculum Guides 1964

a biography of roger tory peterson the man behind the popular bird identification guides discussing various facets

of his career as a painter writer teacher and environmentalist and sharing information about his personal life

The Elementary School Library Collection, Phases 1-2-3 2000

the contributors including such leading scholars as vicki l ruiz jennifer scanlon and miriam formanek brunell examine myriad ways in which a variety of discourses and activities from popular girls magazines and advertisements to babysitting and the girl scouts help form girls experiences of what it means to be a girl and later a woman in our society the essays address such topics as board games and the socialization of adolescent girls dolls and political ideologies nancy drew and the filipina american experience the queering of girls detective fiction and female juvenile delinquency to demonstrate how cultural discourses shape both the young and teenage girl in america although girls culture has until now received comparatively little attention from scholars this work confirms that understanding the culture of girls is essential to understanding how gender works in our society making a significant contribution to a long neglected area of social and cultural inquiry delinquents and debutantes will be of central interest to those in women s studies american studies history literature and cultural studies
