Mountaineering Tourism 2006-10-24 the previous edition of this directory extended its coverage of the far east australasia and latin america areas previously under represented for this new edition emphasis has been given to increasing the number of entries for organizations from britain the united states and australia and particular attention has been paid to new political organizations in central and eastern europe and the former soviet union the number of entries included has gone up to over 68 000 of which over 9 000 are new or amended cross references from defunct organizations in the previous edition have been deleted and references indicated by ex and now added for organizations which have changed their name since the previous edition as before the range of organizations included is broad and only purely local organizations have been excluded this directory therefore lists official and unofficial organizations national and international on all subjects political economic and social acronyms of parent bodies of subsidiary organizations are given where appropriate and equivalencies are used to link acronyms in different languages for the same organization further information about the organizations listed can be found in the sources listed in the bibliography i would like to thank henry heaney and graeme mackintosh for their advice and david grinyer for his technical support l m pitman bibliography adams r ed 1993 centres bureaux a directory of uk concentrations of effort information and expertise 2nd edn cbd research beckenham barrett lk 1993 encyclopedia of women s associations worldwide gale london

Adventure Tourism 2012-12-06 this book presents an overview of different institutional arrangements for tourism biodiversity conservation and rural poverty reduction in eastern and southern africa these approaches range from conservancies in namibia community based organizations in botswana conservation enterprises in kenya private game reserves in south africa to sport hunting in uganda and transfrontier conservation areas the book presents a comparative analysis of these arrangements and highlights that most arrangements emerged in the 1990s through either a decentralized or centralized change trajectory that was sponsored by donors they aim to address some of the challenges of the fortress types of conservation by combining principles of community based natural resource management with a

neoliberal approach to conservation evident in the use of tourism as the main mechanism for accruing benefits from wildlife the book illustrates the empirical relevance of these novel arrangements by presenting their growth in numbers and discuss how these arrangements differ in their form with respect to the conservation and development impacts of these arrangements we show that they have secured large amounts of land for conservation but also generated governance challenges and disputes on tourism benefit sharing affecting the stability of these arrangements to generate socioeconomic and conservation benefits

Buttress's World Guide to Abbreviations of Organizations 2014-11-16 sport outdoor life and the nordic world explores the nordic model of sport and outdoor life with respect to such issues as sport facilities mountain guiding women and ethnic minorities urban planning anti doping health elite sport coaching and leadership and the globalization of sport the aims of the volume are twofold first it advances knowledge of nordic sport and outdoor life as important fields of social activity in their own rights second it enhances the understanding of the nordic model of society and the ways in which this is constructed explored and challenged within and through sport and outdoor life activities in doing so the contributors explore a range of key themes notably how modern nordic sport and outdoor life activities emerged and are organized through specific social policies how they may challenge or harbour forms of social exclusion particularly in regard to gender or minority populations how they are affected by and respond to deviant practices such as doping how they may contribute to alleviating social problems and how they confront major structural challenges and changes such as the impacts of globalization and the continuing dominance of neoliberal economic policies interdisciplinary in approach sport outdoor life and the nordic world is essential reading for those studying nordic sports and societies and will also appeal to students academics and wider readers with interests in sport studies sociology social policy cultural studies anthropology and public health the chapters were originally published as a special issue of sport in society
