Idioms and fixed expressions - Implications of cognitive linguistics for the selection of web-based teaching exercises

2007-05-26

seminar paper from the year 2006 in the subject english language and literature studies linguistics grade 2 0 university of cologne englisches seminar course idioms cognitive and didactic aspect 8 entries in the bibliography language english abstract idioms are an important factor in native like discourse by an english as a foreign language efl speaker according to fernando 1996 the sheer number of idioms and their high frequency in discourse make them an important aspect of vocabulary acquisition and language learning in general many linguists claim that idioms require special attention in language programs and should not be relegated to a position of secondary importance in the curriculum however classroom learning of efl is at least in germany not very concerned with the teaching of idioms and fixed expressions as analyses from current and historical textbooks have shown this results in the necessity for the teacher to make up own exercises or series of lessons to put the teaching of fixed expressions into the curriculum the cognitive approach to language learning provides useful aspects and implications on how to organize idiom learning in a classroom context the aim of our paper is to use the cognitive linguistics approach towards idioms and other fixed expressions in english to analyse different homepages on the world wide in order to do this we will first

present a short survey of different cognitive approaches to idioms and their didactic implications for teaching exercises we will then go on with an analysis of six websites with respect to how the content structure and exercises follow the implications given by the presented cognitive approaches after a discussion of the positive and negative aspects we found on the web we try to give a proposition on how an idiom learning website could be structured and how exercises could look like when they try to follow a cognitive approach

English Expressions You Must Learn

2020-08-24

in modern communication figurative forms of expressions like idioms similes metaphors personifications and hyperboles are so crucial for they help make ideas sound more real and feelings feel more actual they are so revealing and work like stories told through dramatic images for instance if someone describes your piece of work as a dog s dinner they have not only transported your mind to a dramatic scene elsewhere they have also delivered a clear message amplified by the image described in the comparison the use of figurative expressions is quite strong among native and near native english speakers due mainly to the high degree of creativity with which they use the language according to one research an average native speaker uses up to four idioms per minute thus to those in the business of communication such as journalists politicians preachers lawyers public speakers tour operators teachers and even students proficiency in english figurative expressions is a powerful asset of debate and public speaking also apart from being the key for unlocking the language mindset of native speakers figurative expressions are a means that second language students of english need to increase their vocabulary and lexicon capacity gain fluency and sound more native like getting interested in english figurative expressions but wondering how to wrap your head around them well this book should be your first step towards achieving that goal but you should bear in mind that with english figurative expressions numbering many thousands you really have your work cut out for you this book is structured in a very basic form for easy use by anyone with an average command of english therefore for effective comprehension each figurative expression is driven home by the situation example which acts as a precursor to the sentence example the sentence example is not necessarily an exact conversion of the situation example in meaning but rather a guide to help the reader

understand the use of the expression being learnt

Regular Expressions

2018-06-04

as part of the bestselling pocket primer series the goal of this book is to introduce readers to regular expressions in several technologies it is intended for data scientists data analysts and others who want to understand regular expressions to perform various tasks you will acquire an understanding of how to create an assortment of regular expressions such as filtering data for strings containing uppercase or lowercase letters matching integers decimals hexadecimal and scientific numbers and context dependent pattern matching expressions it includes res with python r bash perl java and more companion files with source code are available for downloading from the publisher features uses res with python r bash java and more packed with realistic examples and numerous commands assumes the reader has no prior experience but the topic is covered comprehensively enough to teach a pro some new tricks includes companion files with all of the source code examples download from the publisher on the companion files available from the publisher for downloading source code samples

transitional expressions definition meaning of transition to go from one point to another transitional expressions transitional words transitional phrases transitional or transition words are also known as connecting words linking words or signal words transitional or transition phrases are also known as connecting phrases linking phrases or signal phrases transitional expressions also transitions could be defined as follows transitional expressions are words or phrases that provide bridges between sentences parts of sentences paragraphs and sections transitional expressions connect and relate sentences and paragraphs transitions expressions signal the relationship between sentences and paragraphs transitions expressions state the connections between ideas transitions expressions help carry over a thought from one part of a sentence to another from one sentence to another from one paragraph to another from one section to another or from one idea to another transitional expressions connect ideas from sentence to sentence and paragraph to paragraph transitional expressions are placed in the beginning middle or end of the sentences paragraphs to explain connections between two or more ideas transitional expressions help carry over a thought from one idea to another transitional expressions produce clearer expression by eliminating the excessive use of such

words as and but for nor or so yet etc choosing transitional expression some transitional words and transitional phrases belong to more than one category a transitional expression can change the whole meaning of a sentence therefore you should choose the transition that best conveys your meaning you should also avoid repetition and use different transition words or phrases in the same category if necessary placing transitional words there are three options for placing transitional words the beginning of a sentence most common the middle of a sentence the end of a sentence least common example their products come with an insurance pack that covers accidental damage theft and breakage for a year furthermore customers can also avail for an additional year of warranty use of the transitional word furthermore at the beginning of a sentence their products come with an insurance pack that covers accidental damage theft and breakage for a year customers furthermore can also avail for an additional year of warranty use of the transitional word furthermore in the middle of a sentence their products come with an insurance pack that covers accidental damage theft and breakage for a year customers can also avail of an additional year of warranty furthermore use of the transitional word furthermore in the end of a sentence

20 Categories of Transitional Expressions

2021-08-28

do you feel stuck in the intermediate english level do you want to break out and start improving quickly then this is the perfect book to help you move up to the

advanced level and start using everyday english fluently the 500 phrases in this book will help you make the leap from intermediate to advanced what made me want to write this book after years of teaching intermediate students who never seemed to improve i decided to find out what the problem was essentially intermediate students get stuck because learning at this stage is a different type of learning than at the beginner stage you have mastered the grammar and the basic vocabulary but most textbooks just carry on like nothing has changed however what you need at the intermediate stage is not just more dry grammar and lists of vocabulary but to be exposed to as much real english in as many real life situations as possible this will help you start to understand what people are actually saying and not just textbook english it will also help you to naturally get a feel for the language because i could not find a book that introduced everyday english phrases in a fun and engaging way i decided to write one myself how will this book help you every new phrase is introduced in the real context of a short story or an article so by having fun and reading something interesting you will be learning naturally rather than having to force yourself to study it s a simple fact that if you are having fun you will learn quicker and more easily this book is an excellent way to be exposed to real everyday english phrases but with the guidance of clear explanations and examples in simple english basically it uses simple language to introduce more complex phrases so you are eased into a more advanced level all of the phrases in this book are in common use and are the key to unlocking fluency i have only included phrases which i have heard recently in conversation or on the radio or television if it is in this book it is in everyday use so if you are sick of being stuck and want to improve in a fun and engaging way this is the perfect solution for

you

500 Really Useful English Phrases

2014-06-10

begun in 2010 as part of the histories of literatures in european languages series sponsored by the international comparative literature association the current project on new literary hybrids in the age of multimedia expression recognizes the global shift toward the visual and the virtual in all areas of textuality the printed verbal text is increasingly joined with the visual often electronic text this shift has opened up new domains of human achievement in art and culture the international roster of 24 contributors to this volume pursue a broad range of issues under four sets of questions that allow a larger conversation to emerge both inside the volume s sections and between them the four sections cover 1 multimedia productions in theoretical and historical perspective 2 regional and intercultural projects 3 forms and genres and 4 readers and rewriters in multimedia environments the essays included in this volume are examples of the kinds of projects and inquiries that have become possible at the interface between literature and other media new and old they emphasize the extent to which hypertextual multimedia and virtual reality technologies have enhanced the sociality of reading and writing enabling more people to interact than ever before at the same time however they warn that as long as these technologies are used to reinforce old habits of reading writing they will deliver modest results one of the major tasks pursued by the

contributors to this volume is to integrate literature in the global informational environment where it can function as an imaginative partner teaching its interpretive competencies to other components of the cultural landscape
