back issue base ball is a peer reviewed book series published annually offering the best in original research and analysis it promotes study of baseball s early history from its protoball roots to 1920 and its rise to prominence within american popular culture prior to volume 10 base ball was published as base ball a journal of the early game this is a back issue of that journal

## Publication Management

1940

the national league was in its second season of existence in 1877 in mid season the louisville grays suddenly took the league by storm and by mid august were considered a lock to win the pennant then disaster struck the grays fell out of first place and the pennant was lost suspicions were high that the club had sold out to gamblers three players were tricked into confessing to the selling of exhibition games and were blacklisted from the sport along with a fourth player who refused to cooperate with the investigation since then historians have presented a simple narrative about how the grays sold the pennant to gamblers how that treachery was discovered and the steps that followed however none of this is true for nearly 150 years the story of the louisville grays has been told and the story has been wrong for the first time the objective evidence that was there all along is examined in comparison to the narrative that has been told about the grays the evidence shows the grays did not sell the pennant they simply lost it this is the story of how major league baseball s first great scandal never truly happened

the only anthology available documenting 100 years of women in american sports

## **Recreation**

1963

in late 1901 a number of baseball owners decided to break away from the western league and form a new league called the american association this outlaw league refused to recognize organized baseball s reserve clause but vowed to respect contracts unfortunately organized baseball did not reciprocate over the next two years the leagues battled each other for players fans and financial superiority this narrative of that struggle details the business operations of the different clubs the difficulties of securing property for ball parks and the problem of players jumping contracts it also chronicles the two playing seasons during the conflict and describes the rowdy behavior of both players and umpires that characterized baseball at the time although the american association would go on to a longer and more successful life this study shows that outcome was by no means certain in the early 20th century

## **Stories From My Career**

## ***Baseball's Heartland War, 1902-1903***

2011-10-14

a grand slam of a book the sequel to the bestselling baseball s greatest insults with hilarious put downs and outrageous wisecracks about america s national pastime there are no lyrical passages here no fond reminiscences about childhood games no tributes to inspiring players too much real stuff has happened since kevin nelson collected baseball s greatest insults in 1984 this hilarious all star review reveals how the players managers umpires owners and the sports media really feel about one another

## **Argosy**

1896

in this two volume set a series of expert contributors look at what it means to be a boy growing up in north america with entries covering everything from toys and games friends and family and psychological and social development boy culture an encyclopedia spans the breadth of the country and the full scope of a pivotal growing up time to show what a boy s life is really like today with hundreds of entries across two volumes it offers a series of vivid snapshots of boys of all kinds and ages at home school and at play interacting with family or knocking around with friends or pursuing interests alone as they begin their journey to adulthood boy culture shows an uncanny understanding of just how exciting confusing and difficult the years between childhood and young adulthood can be the toys games clothes music sports and feelings they are all a part of this remarkable resource but most important is the book s focus on the things that shape boyhood identities the rituals of masculinity among friends the enduring conflict between fitting in and standing out the effects of pop culture images and the influence of role models from parents and teachers to athletes and entertainers to fictional characters

## **Writing About Issues**

2011-08-15

following consistent and rapid general economic growth pacific rim countries have grown as a major force in sports australia china japan and korea populated the top ten medals list at the 2012 london olympics pacific rim countries are major consumers of international sports and domestic professional sports have expanded continuously over time nippon professional baseball and the korean baseball organization are the second and third largest baseball leagues measured by attendance and revenue following major league baseball in the u s this book also includes event studies of team ownership assessment of human capital markets analysis of the relationship between attendance and competitive balance the components of fan demand in common the world over and business decisions concerning attendance and pricing there is already demand for comprehensive

study of the sports business in the pacific rim as witnessed by this growth this book will be of interest of researchers studying and or teaching in the fields of sports economics and sports management as well as a general audience interested in business governance around the world

## ***African American Awareness***

1999

the hit 1992 film a league of their own made the all american girls professional baseball league famous but the players stories remain largely untold the 600 women who played for the aagpbl through the 1940s and 1950s enjoyed a rare opportunity to lead independent lives as well paid professional athletes their experiences in the league led many to education and careers they never imagined as teachers coaches and role models they strove to broaden the horizons of girls and young women many continued to be involved in athletics supporting the efforts leading to title ix and the women s sports revolution today they are dedicated to preserving the history of women in baseball and creating opportunities for girls to play

□□□□

1963

although andrew rube foster 1879 1930 stands among the best african american pitchers of the 1900s this baseball pioneer made his name as the founder and president of the negro national league the first all black league to survive a full season in addition to founding this groundbreaking black owned and operated business foster also founded and managed the chicago american giants one of the most successful black baseball teams of the pre integration era this definitive biography combines period editorials and correspondence with insightful narrative to provide a comprehensive portrait of this innovative hall of famer from the unstructured early days of black baseball when foster gained glory as a hard throwing pitcher through his struggles to establish the nnl and the giants to his tragic death from complications of syphilis this work pays overdue tribute to an authentic american baseball icon

## ***Close Reading with Paired Texts Level 1***

2015-06-01

provides practical help for the day to day concerns that keep managers awake at night this book aims to fill the gap between the legal and policy issues that are the mainstay of human resources and supervision courses and the real world needs of managers as they attempt to cope with the human side of their jobs

## ***Baseball's Even Greater Insults:***

2011-01-11

in the heart of the bluegrass basketball is king of collegiate athletics but it wasn t always so before big blue chronicles the early history of organized sports at the university of kentucky from the tenuous beginnings under student leadership through the early scandals financial instability and clashes with administration to the purge of

1938 that paved the way for basketball's ascendancy once upon a time in Lexington football ruled the athletic department in the 1890s and 1900s the most intense competition was with crosstown rival Transylvania University the annual Thanksgiving Day game was the biggest event of the season and its gate receipts essentially funded the entire department among other highlights Gregory Kent Stanley reveals the story behind the Wildcats nickname reports on the greased pants game against Mississippi State in 1914 and divulges the origins of the post-victory nightshirt parades through downtown when basketball finally arrived on campus it was the women's team that was organized first its transfer out of the women's physical education department in 1903 led to a twenty-year turf war that was one of the period's most intense whether played by men or by women however basketball during the early years of the century was of minor consequence the men's team played in a gym without facilities for spectators most players were from the football team and all the early coaches including Adolph Rupp assisted with the football program nevertheless the early years showed signs of the success to come the 9-0 team of 1912 which never trailed an opponent the 1921 squad losers of only one game and winners of the school's first tournament and Rupp's winning percentage of 82.0 during the 1930s that saved his job during President McVey's massive reorganization of the athletic department before Big Blue tells a story both unique and universal as the first comprehensive history of the rise of intercollegiate athletics at UK it makes a valuable contribution to the growing literature of sports history

## ***Boy Culture [2 volumes]***

2010-06-17

the story about baseball's being invented in Cooperstown New York in 1839 by Abner Doubleday served to prove that the U.S. national pastime was an American game not derived from the English children's game of rounders as had been believed the tale embraced by Americans has long been proven false but to this day Cooperstown is celebrated as the birthplace of baseball the story has captured the hearts of millions but who spun that tale and why this book provides a surprising answer about the origins of America's most durable myth it seems that Abner Graves who espoused Cooperstown as the birthplace of the game likely was inspired by another story about an early game of baseball the stories were remarkably similar as were the men who told them for the first time this book links the stories and lives of Graves a mining engineer and Adam Ford a medical doctor both residents of Denver Colorado while the actual origins of the game of baseball remain subject to debate and study new light is shed on the source of baseball's durable creation myth

## ***The Sports Business in The Pacific Rim***

2014-10-31

offering the best in original research and analysis Baseball is an annually published book series that promotes the study of baseball's early history from its protoball roots to 1920 and its rise to prominence within American popular culture this volume number 11 includes a dozen articles on topics ranging from the uses and abuses of mascots and batboys attempts to revive the Major League American Association and the meaning of early club names to the founding of the National League the finances of the Union Association and the early years of future giants magnate John T. Brush the volume also includes thoughtful reviews of recently published books on women's baseball the 1887 Detroit Wolverines and the American League pennant race in 1908

## **Industrial Sports and Recreation**

1956

while most fans know that baseball stars ted williams hank greenberg and bob feller served in the military during world war ii few can name the two major leaguers who died in action they were catcher harry o neill and outfielder elmer gedeon far fewer still are aware that another 125 minor league players also lost their lives during the war this book draws on extensive research and interviews to bring their personal lives baseball careers and wartime service to light
