The Role of Sisters in Women's Development

2011-04

psychological theory has traditionally overlooked or minimized the role of siblings in development focusing instead on parent child attachment relationships the importance of sisters has been even more marginalized sue a kuba explores this omission in the role of sisters in women s development seeking to broaden and enrich current understanding of the psychology of women this unique work is distinguished by kuba s phenomenological method of research rooted in a single prompt tell me about your relationship with your sister rich in detail the responses many of which are reproduced at length within the book provide a complex picture of sister relationships across the lifespan integrating these stories with current literature about gender and family composition for sisters of difference disabled and lesbian sisters and ethnic sisters this book provides useful recommendations for therapeutic understanding of the significance of sisters in everyday life integrating diverse perspectives in order to address the ways clinicians can enhance psychological work with women clients a valuable contribution to the field of mental health the role of sisters in women s development is highly recommended for therapists who wish to broaden their inquiry into the sister connection as well as anyone who wants to further understand the importance of sisterhood

Willy's Noisy Sister

2001

illustrates problem solving skills for children by presenting real life situations involving attention getting schemes instigated by other siblings offering several alternative solutions and discussing which are most appropriate

Zayas and Her Sisters, 2

1960

new york magazine was born in 1968 after a run as an insert of the new york herald tribune and quickly made a place for itself as the trusted resource for readers across the country with award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating new york as both a place and an idea

Merchant Vessels of the United States ... (including Yachts)

1957

in this probing exploration of what it means to be deaf brenda brueggemann goes beyond any simple notion of identity politics to explore the very nature of identity itself looking at a variety of cultural texts she brings her fascination with borders and between places to expose and enrich our understanding of how deafness embodies itself in the world in the visual and in language taking on the creation of the modern deaf subject brueggemann ranges from the intersections of gender and deafness in the work of photographers mary and frances allen at the turn of the last century to the state of the field of deaf studies at the beginning of our new century she explores the power and potential of american sign language wedged as she sees it between letter bound language and visual ways of learning and argues for a rhetorical approach and digital future for asl literature the narration of deaf lives through writing becomes a pivot around which to imagine how digital media and documentary can be used to convey deaf life stories finally she expands our notion of diversity within the deaf identity itself takes on the complex relationship between deaf and hearing people and offers compelling illustrations of the intertwined and sometimes knotted nature of individual and collective identities within deaf culture

Merchant Vessels of the United States

1965

lgbt activism is often imagined as a self contained struggle inspired by but set apart from other social movements lavender and red recounts a far different story a history of queer radicals who understood their sexual liberation as intertwined with solidarity against imperialism war and racism this politics was born in the late 1960s but survived well past stonewall propelling a gay and lesbian left that flourished through the end of the cold war the gay and lesbian left found its center in the san francisco bay area a place where sexual self determination and revolutionary internationalism converged across the 1970s its activists embraced socialist and women of color feminism and crafted queer opposition to militarism and the new right in the reagan years they challenged u s intervention in central america collaborated with their peers in nicaragua and mentored the first direct action against aids bringing together archival research oral histories and vibrant images emily k hobson rediscovers the radical queer past for a generation of activists today
