as soon as there was sin there was a savior from times eternal god knew that satan would introduce sin into planet earth infecting its inhabitants out of his great love for the human family the father son and holy spirit united in carrying out the great plan of redemption and in fulfilling the everlasting covenant of grace in mark s hard hitting gospel the son of god suddenly appears rising out of the jordan river hair wet anointed by the heavenly dove and surrounded by the thunder like echo of his father s approval from this point on all of jesus recorded words and actions move steadily and unflinchingly toward christ s sacrifice on the cross where he suffered and died for the redemption of humankind popular beliefs about the covenant have fragmented god s interactions with the human race insisting that god s plan of redemption for the jews on sinai had little or nothing to do with his plan of redemption for new covenant believers taking his cue from paul s aligning of god s new covenant promise with his covenant with abraham and from peter s new testament repetition of god s promise of his people being a holy nation dr hubert f sturges argues convincingly and biblically that there is more continuity than discontinuity in god s covenants with the human race tracing god s saving actions through scripture and history dr sturges reveals the strategic steps that the father son and holy spirit took in fulfilling their continuing commitment to the human family with bite sized chapters divided into three

sections more than a promise the everlasting covenant as presented throughout history will cause you to reflect on god s great love and mercy for the human race

## **The American Hymns and Tune Book 1862**

the majority of people today avoid the book of  
revelation saying it is hard if not impossible to  
understand we might ask if this is the case why  
would a god who has revealed himself to man and  
wants us to understand his ways allow such a book  
to have been written and preserved through the  
ages it is true that revelation is a difficult  
book and takes effort to understand but it is also

true that it is understandable to those who make an effort to those who will make an effort god even pronounces a blessing hopefully this book will help many to better understand this final book and capstone of god s cannon of his revealed truth for us it is the goal of this writing to present an account true to scripture that is understandable to the lay reader
