Study Guide to accompany **Accounting Principles 2011-09-13**

international gaap 2013 goes much further than
explanation it provides a comprehensive guide to
interpreting and implementing ifrs sets ifrs in a
relevant business context and provides insights
into how complex practical issues should be
resolved in the real world of global financial
reporting this book is an essential tool for
anyone applying auditing interpreting regulating
studying or teaching international financial
reporting written by financial reporting
professionals from the international financial
reporting group of ernst young this three volume
guide to reporting under ifrs provides a global
perspective on the real world interpretation and
practical application of ifrs complex technical
accounting issues are explained clearly and ifrs
is set in a practical context with numerous worked
examples and hundreds of illustrations from the
published financial reports of major listed
companies from around the world the 2013 edition

of international gaap has been fully revised and updated in order to address all new revised and amended authoritative pronouncements and interpretations including for many entities the mandatory adoption in 2013 of ifrs 10 consolidated financial statements ifrs 11 joint arrangements ifrs 12 disclosure of interests in other entities ifrs 13 fair value measurement and ias 19 revised employee benefits explain the many initiatives and discussions that are currently being pursued by the iasb and by the ifrs interpretations committee and the potential consequential changes to accounting requirements in particular projects on financial instruments revenue recognition leases and insurance contracts may all significantly change current accounting practice provide insight and guidance from a truly global perspective on the many issues relating to the interpretation and practical application of ifrs based on the extensive experience of the book s authors in dealing with recent day to day practical issues igaap info
