Market and Competition Authorities 2015-03-26 market and competition

authorities operate in a complex environment with conflicting stakeholder demands balancing the various interests of the authority and stakeholder in an objective and impartial manner is strategic to achieving the goals of the legislation imposed in a fresh approach examining the actions of an authority when a regulation is applied annetje ottow argues the vital importance of the behaviour of authorities focusing on five fundamental good agency principles legality independence transparency effectiveness and responsibility or liter these principles provide agencies and those reviewing their actions with a framework for agency design and action combining theory and practice to provide insight into agencies organization and behaviour this book outlines and analyses behavioural issues using an ecosystemic method addressing how independent agencies should be assessed and which principles should apply using cases from the netherlands and the uk ottow examines the key processes of authorities against the liter principles and opens the debate on how to regulate the agency

The Political Economy of WTO Implementation and China's Approach to

Litigation in the WTO 2016-01-29 the concept of compliance of world trade organization wto law as part of international economic law is examined in this discerning book the issue of compliance is examined through a broad perspective considering the key conceptual issues which continu

The Donbas Conflict in Ukraine 2021-09-27 this book examines why when the conflict in eastern ukraine began in 2014 fighting broke out in the donets k region whereas it did not in kharkiv city despite the city like the donets k region being geographically proximate to russia and similar in ethnic and linguistic make up based on extensive original research the book argues that a key factor was the nature and behaviour of local elites with those in kharkiv having diffuse ties to the centre and therefore being more capable of adapting to sudden profound regime change at the centre whereas the elites in the donets k region had much more concentrated ties to the centre were dependent on one network and therefore were much less able to cope with change the book thereby demonstrates how crucial for ukraine are patronal politics patronage networks and informal centre region relations and that it was these local political circumstances rather than russia which brought about the conflict

Knowledge and Expertise in International Interventions 2018-02-02 knowledge about violent conflict and international intervention is political it involves power struggles over the objects of knowing problematization silencing how they are known epistemic practices and what interpretations are taken into account in policymaking and implementation this book unearths the politics power and performances involved in the social construction of seemingly neutral concepts such as facts truth and authenticity in knowing about violent conflict and international intervention contributors foreground problems of physical and social access to information explore practices generating knowledge actors authority and legitimacy and analyse struggles over competing policy narratives a first set

of chapters focuses on the social construction of facts truth and authenticity through studies of militia research in the dr congo politicians on site visits in intervention theatres in the balkans and afghanistan and the epistemic practices of human rights watch and comics journalism a second set of contributions analyses the strategic side of knowledge through case studies of diplomatic counterinsurgency in bosnia and herzegovina african governments active role in the bunkerization of international aid workers and authoritarian peacebuilding as a challenge to the liberal power knowledge regime in world politics this book was originally published as a special issue of the journal of intervention and statebuilding

Encyclopedia of Nordic Crime Fiction 2016-04-27 since the late 1960s the novels of sjöwall and wahlöö s martin beck detective series along with the works of henning mankell håkan nesser and stieg larsson have sparked an explosion of nordic crime fiction grim police procedurals treating urgent sociopolitical issues affecting the contemporary world steeped in noir techniques and viewpoints many of these novels are reaching international audiences through film and television adaptations this reference guide introduces the world of nordic crime fiction to english speaking readers caught between the demands of conscience and societal strictures the detectives in these stories like the heroes of norse mythology know that they and their world must perish but fight on regardless of cost at a time of bleak eventualities nordic crime fiction interprets the bitter end as a celebration of the indomitable human spirit

A Critical Public Relations Approach to Crisis Communication and Management 2022-10-19 this book proposes a critical public relations approach to analyzing crisis communication with malaysia airlines flight 370 mh370 disappearance 2014 2018 as a case study it examines the discursive process of malaysia s crisis response and image building tracing malaysia airlines during the immediate response and the malaysian establishment until the official suspension of the underwater search the study features a critical discourse analysis of 84 national media texts and 85 response statements focusing on three aspects the national media representations of malaysia s image the national carrier and the government s rhetorical strategies of delivering stances and actions and the dynamic process of image reconstruction and national recovery the present project contributes to the current research area by integrating both linguistic and public relations perspectives and more importantly by highlighting the ideological impact instead of merely behavioral effectiveness in modern communication research target readers may find their interest in corporate crisis communication critical inquiry about political public relations and the mh370 incident in general *Free Trade and Social Conflict in Colombia, Peru and Venezuela* 2016-08-26 foreign capital and free trade policies have provoked fierce conflicts in south america in recent years people in colombia and peru engaged in often violent clashes to defend their livelihoods against the encroachments of the free market

and the impositions of wall street farmers organized to save their lands from foreign mining corporations and cities fought to save their water from contamination native americans blocked highways to preserve ancestral lands while students paralyzed universities and called for reforms to higher education the shift toward socialism in venezuela led by president hugo Chávez was bitterly opposed by privileged groups governments tried to quell the turmoil through repression political maneuvering and propaganda this book provides a dramatic account of the struggles

The African Charter on Human and Peoples' Rights 2019-02-14 the african charter on human and peoples rights achpr is the principle regional human rights treaty for the african continent adopted in 1981 there is now a significant body of jurisprudence and interpretation by its african commission on human and peoples rights and the recently established african court this volume provides a comprehensive article by article legal analysis of the provisions of the charter as it draws upon the documents adopted by the african commission including resolutions case law and concluding observations where relevant case law adopted by the african court on human and peoples rights and that of other sub regional courts and tribunals and domestic courts in africa are also incorporated the book examines not only the substantive rights in the african charter but also the work of the african commission on human and peoples rights and provides a full examination of its mandate a critical analysis of each of the provisions of the achpr is led principally by the jurisprudence and documentation of the african commission and african court the text also identifies the overall development of the achpr within the broader regional and international human rights legal arena

Transnational Terrorist Groups and International Criminal Law

2018-07-27 attacks by network based transnational terrorist groups cause on average 25 000 deaths every year worldwide with the law enforcement agencies of some states facing many challenges in bringing those responsible to justice despite various attempts to codify the law on transnational terrorism since the 1930s a crime of transnational terrorism under international law remains contested reflecting concerns regarding the relative importance of prosecuting members of transnational terrorist groups before the international criminal court this book critically examines the limits of international criminal law in bringing members of transnational terrorist groups to justice in the context of changing methods of warfare drawing from human rights sociology and best practices in international criminal justice drawing on organisational network theory anna marie brennan explores the nature of international crimes and assesses the potential for the international criminal court to prosecute and investigate alleged crimes perpetrated by members of transnational terrorist groups paying particular attention to their modus operandi and organisational structure this book argues that because of the network based organisational structure of some transnational terrorist groups achieving justice for victims will prove challenging

in the context of the relationship between the commanders and the subordinate members of the group requiring a re evaluation of accountability mechanisms at the international level in advancing an innovative perspective on the accountability of members of transnational terrorist groups and in offering solutions to current challenges the book will be of great interest and use to academic practitioners and students engaged in the study of terrorism the icc or international humanitarian law

Rebel Politics 2019-10-15 rebel politics analyzes the changing dynamics of the civil war in myanmar one of the most entrenched armed conflicts in the world since 2011 a national peace process has gone hand in hand with escalating ethnic conflict the karen national union knu previously known for its uncompromising stance against the central government of myanmar became a leader in the peace process after it signed a ceasefire in 2012 meanwhile the kachin independence organization kio returned to the trenches in 2011 after its own seventeen year long ceasefire broke down to understand these puzzling changes brener conducted ethnographic fieldwork among the knu and kio analyzing the relations between rebel leaders their rank and file and local communities in the context of wider political and geopolitical transformations drawing on political sociology rebel politics explains how revolutionary elites capture and lose legitimacy within their own movements and how these internal contestations drive the strategies of rebellion in unforeseen ways brener presents a novel perspective that contributes to our understanding of contemporary politics in southeast asia and to the study of conflict peace and security by highlighting the hidden social dynamics and everyday practices of political violence ethnic conflict rebel governance and borderland politics

Treatise on International Criminal Law 2016 since the adoption of the rome statute of the international criminal court in 1998 international criminal law has rapidly grown in importance this third volume offers a comprehensive analysis of the procedures and implementation of international law by international criminal tribunals and the international criminal court through analysis of the framework of international criminal procedure the author considers each stage in the process of proceedings before the icc including the role of legal participants the scope of jurisdiction and the enforcement of sentences

Islamic Sermons and Public Piety in Bangladesh 2020-05-14 islamic sermon gatherings are a central form of public piety and public expression in contemporary bangladesh held since the 19th century waz mahfils became so popular that it is today possible to participate in them on a daily basis in many regions of the country despite their significance in the rise of popular politics the sermons are often disregarded as islamist propoganda and very little research is dedicated to them this book provides unprecedented access into these sermon gatherings based on fieldwork and interviews max stille analyses an archive of several dozens of sermons he shows how popular preaching shapes roles and

talking it over julian barnes (PDF)

rules of what can be said imagined and felt was mahfils are a participatory practice of the labouring classes in which religious political and poetic consensus overlap in them islamic tenets and morals are part of dramatic narrations vocal art and affective communication ranging from immersion and upheaval to laughter about political jokes and parody suggesting new ways to interpret musical and performative poetics of islamic speech this book calls for expanding conceptions of civic participation and public discourse and rethinking the role of the senses and religious aesthetics in islam

International Criminal Tribunals and Human Rights Law 2016-04-13 this book addresses the interpretation and application of human rights norms by international criminal tribunals icts such tribunals are widely heralded as human rights defenders at the same time however they employ activities that necessary entail the risk of human rights violations they conduct criminal investigations arrest and detain individuals and put them on trial this book investigates this flip side of the icts relationship with international human rights law and focuses on the icts own interpretation and application of human rights norms first the book addresses whether and how icts are bound by human rights law since unlike states they do not sign or ratify human rights conventions second the book provides an in depth analysis of the way in which icts interpret and apply human rights norms compared to the way in which these norms are interpreted in a traditional state context relying on the unique circumstances in which they operate icts have often deviated from generally accepted interpretations of human rights the author critically examines this so called contextual approach and seeks to recommend ways in which icts can improve their interpretative practice by giving due regard to the context in which they operate while still providing adequate human rights protection addressing the icts possible leeway in terms of contextualization this book contributes to the broader debates about adherence to human rights norms in international law krit zeegers is an associate at allen overy llp amsterdam and previously worked as a researcher junior lecturer at the university of amsterdam

him well for a frantic career straddling the dog eat dog worlds of journalism and politics his transformation from bumbling stooge on have i got new for you to a triumphant mayor of london was overshadowed only by his colourful personal life brimming with affairs scandals and transgressions his ascent to number 10 in the wake of the acrimonious era defining brexit referendum would prove to be only the first act in an epic drama that saw him play both hero and villain from proroguing parliament to his controversial leadership of the covid 19 crisis all against the backdrop of divorce marriage the birth of his sixth child revolts among tory mps and the countdown to brexit yet despite his celebrity decades of media scrutiny the endless vitriol of his critics and the enduring adoration of his supporters there is so much we ve never understood about boris until now previous biographies have either dismissed him as a lazy deceitful opportunist or been transfixed by his charm wit and drive both approaches fall short and so many questions about boris remain unanswered what seismic events of his childhood have evaded scrutiny how has he so consistently defied the odds proved his critics wrong and got away with increasingly reckless gambles what were his real achievements and failures as mayor of london what was really going on during his time as foreign secretary and why did he write two articles for the telegraph one in favour of leave and the other for remain how have the women in his life exerted more influence than any of us realise and why is his story ultimately one overshadowed by family secrets based on a wealth of new interviews and research this is the deepest most rounded and most comprehensive portrait to date of the man the mind the politics the affairs the family of a loner a lover a leader revelatory unsettling and compulsively readable it is the most timely and indispensable book yet from britain s leading investigative biographer

The Glass Cliff 2024-03-07 every current and aspiring leader needs to read this book helen tupper sarah ellis sunday times bestselling authors of the squiggly career and you coach you clever brilliantly researched and vitally important dawn o porter bestselling author of the cows and cat lady the glass cliff is a conversation about what happens when women break the rules and break through the glass ceiling have you ever wondered why there are so few success stories of women in business leadership or maybe you ve wondered what life is really like on the other side of the glass ceiling the world of work is supposedly changing embracing diversity yet are the opportunities we re giving to women really equal to those of men drawing on almost 20 years of research from around the world the glass cliff phenomenon whereby women are often only hired in leadership roles when a business is already underperforming meaning their chances of success are limited before they even start in the role is well established but little known until now this is the story of the glass cliff a story of a structural inequality disguising itself as the personal failures of women when sophie williams gave her viral ted talk on the subject she was subsequently

flooded with accounts of confident accomplished women who had taken what seemed like a dream leadership role only to quickly find themselves in a waking nightmare without the language to describe their experiences they had been left blaming themselves but learning about the glass cliff enabled them to reframe and reexamine what they'd gone through once we understand the glass cliff once we can stand together and face it head first we can start to unravel so many other false narratives about women's leadership experiences that just don't make sense without it by understanding the phenomenon and by telling one another about it we can affect the conversation empower one another to overcome societal bias and ultimately change the world of work for women forever

Managing Crises, Making Peace 2015-04-14 in the face of emerging new threats the EU's capacity to build a distinctive role in crisis management remains problematic analysing EU policies and actions this collection sheds light on the EU's role in managing crises and peacekeeping exploring avenues for a strategic EU vision for security and defense

The Kurdish Question Revisited 2017 the Kurds once marginal in the study of the middle east and secondary in its international relations have moved to center stage in recent years in turkey where the Kurdish question is an issue of national significance and in Iraq where the gains made by the Kurdistan regional government have allowed it to impose its authority moves are afoot to solve the Kurdish question once and for all in Syria where the Kurds have borne the brunt of the Islamic State's onslaught as they defended their three self-declared cantons of Afrin Kobane and Cezire and in Iran where they struggle to express their cultural distinctiveness and suffer disproportionately at the hands of the Islamic Republic's security and intelligence services the picture is less positive yet the situations in both countries remain in flux affected by developments in Iraq and Turkey in a manner that suggests we may have to revise the notion of the Kurds being forever divided by the boundaries of the middle east and subsumed into the state projects of other nations the contributors to the Kurdish Question Revisited offer insights into how this once seemingly intractable immutable phenomenon is being transformed amid the new political realities of the middle east

From Empty to Full 2017-05-23 are you tired of being empty do you want to be free from this condition once and for all from empty to full is a powerful testimony of how life shifted out of emptiness brokenness sickness and sadness and into fullness as you look inside the windows of this story take a glimpse into the goodness of God as you are shown exactly how he removes empty places and replaces them with his fullness everyone can enter into all the fullness of God through the development of an intimate prayer life by acknowledging and practicing his word and using the life-giving help that he provides from these sources that will help you to be full and stay full taking these steps seriously will stimulate your faith and unleash the power of the Holy Spirit to illuminate God's love mercy compassion and grace in your life God's desire is for you to receive
